The National Construction Authority [NCA] is a State Corporation established under the National Construction Authority Act 2011, with the responsibility to oversee the construction industry and coordinate its development.

In compliance with Section 17(5) of the NCA Act as read together with Regulation 7 of the NCA Regulations 2014 which provides for registration of contractors; the Authority wishes to inform all contractors that renewal of 2020/2021 practicing licenses is now due. Contractors are required to submit online applications for renewal of their annual practicing licenses as per the procedure detailed on the Authority's website, www.nca.go.ke.

The Authority has granted a waiver on all late renewal penalties which will only apply to contractors of category NCA6, NCA7 and NCA8. However, contractors will be expected to pay the applicable annual renewal fees for the period in default. The renewal and waiver period runs from 1st June 2020 to 30th June 2020.

Contractors are further informed that due to the prevailing Covid-19 pandemic, the mandatory requirement to accrue the requisite 10 Continuous Professional Development (CPD) points, by attending an NCA or NCA accredited CPD seminar for one to renew their annual practicing license, as per Regulation 14 of the NCA Regulations 2014, has been waived for the above period.
